Our Mission

Habilitation Assistance Corporation's mission is to support individuals in realizing their personal visions.

Our Goal

"Our goal is to empower individuals and their families through the delivery of quality consumer driven resources, services and supports that increase lifestyle options, independence and improve their quality of life. The agency believes that all people regardless of ability have the right to be happy, leading full and self-determined lives with dignity and the respect of the community."

-Board of Directors

Our Day Habilitation Services

Who do we serve? Day Habilitation services are available for individuals at least 22 years old, with an intellectual/developmental disability, who can benefit from active treatment designed to improve levels of independence

- * **What are day habilitation services?** Day habilitation services consist of planned, coordinated, goal-oriented supports that are designed to improve or maintain functional ability. They include:
- * Clinical supports of occupational therapy, physical therapy, speech/language therapy, and behavior supports in a therapeutic environment

- * Development of self-help skills
- * Activities such as art, yoga, computers/technology, exercise groups, and community outings that address individualized objectives
- * **Where are services provided?** Habilitation Assistance Corporation has four Access Centers which provide day habilitation services. These centers are conveniently located in Weymouth, Plymouth, Pocasset, and South Yarmouth.
- * **How to access day habilitation services?** Day habilitation services are funded and monitored by MassHealth. Private payments for services are also accepted. For more information, contact our Administrative Office at 508-746-7433
